Dear Sir/Madam:

Pursuant to 37 C.F.R. § 1.501, Patentee lists the following references as a Supplemental Disclosure subsequent to the granting of the above-referenced patent.

U.S. Patent No. 2,433,570 to Markkula;
U.S. Patent No. 5,133,341 to Singer et al.;
U.S. Patent No. 5,222,733 to Brundy; and
U.S. Patent No. 4,553,535 to Finnieston et al.

Patentee requests that the references be placed in the patent file history. The listed and attached references were newly discovered during prosecution of a corresponding European Application. Patentee does not believe the listed references to be more pertinent than those references already of record.

No representation is made that the references disclosed herein legally constitute prior art, or that more relevant references are not available. The disclosure documents enclosed herewith are printed in the English language.

Patent No.: 6,793,641
Attorney Docket: ASTRX-007B

The references listed herein, when taken along or in combination are not believed to disclose nor make obvious the invention as claimed in the subject application.

It is believed that no additional filing fee is required. However, if a fee is determined to be required, please charge our Deposit Account No. 19-4330.

Respectfully submitted,

Dated: 10/8/07
